

SHORTER WORK DAY IN CITIES FOR WOMEN AND CHILDREN NOW

Gov. Glynn Signs Bill Limit-
ing Child Labor to Forty-
eight Hours a Week.

ALBANY, April 15.—An eight-hour day for working children under sixteen and not more than fifty-four hours a week of six days for women are secured in all cities of the State by the Smith bill, which Gov. Glynn has approved.

The new law reduces the legal working hours for children under sixteen from fifty-four hours a week or nine hours a day, as has hitherto been permitted. It also provides that no female employee over sixteen shall be employed more than six days or fifty-four hours a week.

In addition luncheon time for working women and children is extended from forty-five minutes to an hour, subject to the approval of the Commissioner of Labor. If an employee works after 7 o'clock at night, there must be an allowance of twenty minutes for eating between 5 and 7. The provision of the old law which prevented female employees in cities of the second class from working after 6 o'clock P. M. is changed so that they may work as late as 10 o'clock.

Auto Club Admits Women.
At a meeting of the members of the Automobile Club of America last night, an amendment to the constitution, admitting women to membership, was unanimously adopted by the 300 members voting. Under the new rule, the female membership is limited to 500. They will not be required to pay the initiation fee, but must pay annual dues. All the members of the Board of Governors whose terms expired at this meeting were unanimously re-elected. Among those re-elected are Judge E. H. Gary, William K. Vanderbilt Jr. and Frederick W. Whitridge.

FIVE MINUTE CURE IF STOMACH IS BAD

"Pape's Diapiesin" is quick-
est, surest indigestion
cure known.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is valuable; you mustn't injure it with drastic drugs.

Pape's Diapiesin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapiesin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.
